### Editor Selects 2011 Reunion Log Theme

Gathering news for the Reunion Log is somewhat like being a dentist: it's like pulling teeth! Please think about a story you'd like to see in this year's edition and either write it or send the story idea and the information so that someone else can write it for you. This year, some of the stories we're focusing on are former Miss Red Devils, coal camp doctors and Oak Hill Hospital doctors in the 50's and 60's, family experiences during World War II, the Korean Conflict, and Vietnam, and Saturdays on Main Street. That's just a beginning if you'll contribute as well. Nancy Perry Elkins, class of 1962, is doing so much on this year's edition that she deserves the title of co-editor.

We want stories from the forties through 2010, and we'd like some extended features from the Golden Class, the class of 1961. Those of you in that class will receive questionnaires, but the answers will be short. Most of you have stories to tell—either about high school antics or post-high school experiences. Please do your part. Get out those pencils or computers and start writing. You can email stories and scanned or digital photos directly to [logeditor@frontier.com](mailto:logeditor@frontier.com). If you don't do email, send your stories and photos to Sherry Keffer, 1108 Sanger Road, Oak Hill, WV 25901.
