

Annual Oak Leaf Festival Planning Underway

The planning committee of Oak Hill's annual Oak Leaf Festival has just about completed the schedule for this year's activities. The annual festival is headed by a dedicated group that puts in long hours to both plan and oversee the many events.

Events include the crowning of the Oak Leaf Queen, Kids pageant, Gospel music, a talent show, the parade of lights and many other activities. Plan to attend the many events made possible by the Oak Leaf Festival while you are here for the reunion.

The Oak Hill High/Collins High Alumni Association is preparing for another year of alumni events, fund raising, and scholarship awards. Having celebrated its twenty-fifth anniversary last year, the alumni association is ready to begin year twenty-six. The association's board of directors elected officers in March. Sherry Keffer, Reunion Log editor, former treasurer and former president was again elected president of the association.

College scholarship awards to qualified seniors of Oak Hill High School remains the primary emphasis of the organization and require several approaches to fund raising. In 2010 one-hundred fifty-four (154) individuals and businesses contributed to the various scholarship funds. Almost all of the contributors are Collins High or Oak Hill High alumni.

Memorial scholarships are gaining in popularity. Thirty-eight people were honored by their family and friends with memorial donations to the alumni association in 2010. The enrollment form (page 3) has a section for making memorial scholarship donations. If you so request, an acknowledgment card will be sent to the person of your choice. Be sure to include a complete name and address. All donors will receive a thank-you letter (receipt) that can be used for tax purposes
