

2022 Reunion Log Needs Your Input, Stories, Skills

For two years, just as she promised, Nancy Perry Elkins worked for several months to produce a journalistic extravaganza, reaching across the country to get stories linking neighborhoods, communities, and school experiences. After last year's edition of The Reunion Log was "put to bed," she reminded everyone that she was finished.

Thank you, Nancy Elkins, for your dedication, creativity, motivation, and hard, hard work. Your team made a mark to remember!

This year, the content is up to you, the reader. Think of a story about an alumnus/a, high school, growing up in a small town, or anything else that you'd like to read about and then, just write it. If you have an idea for a story but don't want to write it, send the basics. We'll write it for you! We really want to include many stories about a lot of people, so keep the articles you send to about 300 words. When possible, send them as email attachments, preferably in Word. If you have pictures to share, take a picture of them with your phone and send them as attachments as to thereunionlog@gmail.com. You can also have copies made and mail them (and stories if you don't email) to Sherry Keffer, c/o OHHS Alumni Association, Box 462, Oak Hill, WV 25901. If you have questions, send those by email as well. Deadline is July 20.

The publishing costs for the 2020 and 2021 Logs were covered by generous donors who were recruited by Nancy. If you'd like to be part of that publishing legacy in 2022, contact Sherry Keffer by email (the same as above), and she'll call you. We'd love to have your money! (The cost of paper alone has gone up 30-40% in the past three months.)

Want to Make a Difference? You Can.

As you read through the opportunities to donate to the alumni association, please consider ways that you might make a difference. We mail nearly 4,000 letters each year, and the rate of return is not good. Let this be the year that you become involved if you have not.
